

The Builder From Iron Pot Creek

Building is his game,
Gary Piggott is the name.
If something is to be made,
he's well seasoned at the trade.
Some call him Piggy but many Bloke,
Known for miles around by good old country folk.

If their homes are old and sag,
with his hammer, saw and nail bag
He will fix them up like new,
straight timber, nails a screw or two
Restump, renovate he will get the job done for you
Nothing too hard for this ol' bloke
Known for miles around the town and country folk.

If its something flash he will build it for you,
he's built many a house or two
Now there's a time to build and a time to rest,
a few cool beers is the best
A good ol' yarn with a mate or two
or at Iron Pot Creek on his farm will do.

He drives his trusty ute around,
on the farm, dusty roads or into town
Don't forget his dog Bundy he sits in the back,
you will see them around or down the track.

OUR LORD'S PRAYER

*Our Father who art in heaven, hallowed be thy name,
thy Kingdom come, thy will be done, on earth as it is in heaven.
Give us this day our daily bread. And forgive us our trespasses,
as we forgive those who trespass against us.
And lead us not into temptation, but deliver us from evil.
For Thine is the kingdom, the power and the glory,
for ever and ever. Amen.*
